

Assess English-language communication skills in the way that suits your organization

Introducing the TOEIC® Link™ assessments

You need to ensure your organization and people can build connections on a global stage. TOEIC Link is a set of new online, modular skills assessments, designed to give organizations a meaningful, fast and convenient way to evaluate individuals' English-language proficiency.

Meaningful

Evaluate candidates' basic to advanced English proficiency levels, mapped to CEFR A1-C1.

Fast

Get results immediately for Listening and Reading modules and within 48 hours for Speaking and Writing modules.

Secure

Ensure security and fair testing with flexible proctoring capabilities

A modular approach

With TOEIC Link, you can evaluate more candidates and students faster by focusing on the skills that matter most to your organization. Choose from listening, reading, speaking and/or writing modules. Total testing time for all four skills modules is less than 90 minutes.

Listening	30 questions	18 minutes	Speaking	11 questions	10 minutes
Reading	30 questions	26 minutes	Writing	6 questions	27 minutes
